3. Terms & Conditions for Claims

- Adherence of pre-requisites is mandatory for smooth claim processing.
- The declared value of the parcel is required to be in accordance with the details on the invoice.
- In the event of any missing details identified during the claim processing, customers will be granted a period of 4 working days to provide the required information
- Customers with a negative balance or outstanding recovery will not be eligible for claim facilitation until clearance.
- The policy in question does not apply to customers with an exclusive Service Level Agreement (SLA) with SLGTRAX, specifically mentioning the presence of a limitation of liability clause within that SLA.
- All international claims settlement is aligned with concern Service Provider Policy.
- Salvages of damaged shipments must be returned to or handed over to SLGTRAX before claim any payment.
- Prior to claim processing, it is required that all dues be settled by the shipper.
- For warehousing clients, actual shrinkage policy will apply to all claims.
- Customers will not be allowed to deduct claim amounts from their invoices directly without following appropriate claim procedures and due diligence.
- Retail customers can initiate claim through our official email platform.
- The Claim settlement timelines are 10-15 working days.
- The Settlement of claimed amount is up to 80% Value.
- TRAX Management reserves all the right to decline any claim.
